Concerning BZA Application #18240 filing for 3160 16th St NW

Resolved, ANC1D petitions the Board of Zoning Adjustment for a delay of two weeks to better prepare its report on BZA Application #18240. The prehearing statement of the DC Public Library was submitted only a few minutes before the deadline, a few hours before this meeting, and needs serious consideration by 1D's commissioners.

1D petitions the BZA to consider this resolution as notice that it intends to be a party in #18240, and if it is not already a party by right, to accept this resolution despite its being filed one day less than the 14 normally required of non-ANC parties. (The property is within 1D's area.)

If the BZA denies the petition for more time, 1D further petitions the BZA to allow 1D to submit its report a day or two later than the normal schedule of seven days in advance of the hearing.

Passed by 5 to 0 vote at the legally noticed, public meeting of ANC1D on July 5, 2011, with a quorum present. A quorum consists of four commissioners; five were present for this meeting.
