Haydee's representations of future operations

Resolved, ANC1D approves the representations by Haydee's Restaurant if granted a CN license based on 1D support, which it understands to be as follows:

1. Haydee's will not advertise itself to be a nightclub. Instead, it will continue to operate primarily as a full-service venue for positive social engagement, that is, a venue that serves food, with a broadly attractive menu and pricing, whenever there is entertainment and drinking.
2. Haydee's will continue to exceed conventional standards for training its entire staff - aiming excellence in restaurant and entertainment venue service.
3. Haydee's, as a family-run business, will continue to support and initiate activities that build a sense of neighborhood. It will continue to work with its immediate neighbors and merchants to improve the attractive interest, safety, and vitality of life in and around the Mount Pleasant Street commercial corridor.
4. Haydee's will continue to build a neighborhood and local clientele more notable for its good-behavior sociability, than for alcohol or pure entertainment. It will continue to include much time that is inviting for families and friends.

Passed by 6 to 0 vote at the legally noticed, public meeting of ANC1D on February 16, 2010, with a quorum present. Voting "yes": Commissioners Edwards, Tunda, Lepanto, McKay, Scott, Bosserman.
